**Meeting Date:** August 17, 2010

Present: :Randy Huffman, Jack Potter,  
Jerry Curtis, Kent Kile,  
Matt Russell, Kevin Russell,  
Erin Chambers, Tiffany Goulet,  
Tim Yoko, Troy Williams,  
Mike Leonard, Kathy Richards,  
Tex Stohl, Kevin Corkern,  
Tom Parshall, Woody Bruhn,  
John Arndt, Dan Cress

### Call To Order and Officers' Reports

1. Randy Huffman called the meeting to order and passed out Agenda.
  - a. A quorum was present.
  - b. A hand-out with proposed revisions to by-laws was discussed. Board members to review and give Tiffany their comments.
  - c. A separate meeting tentatively scheduled for August 25 will be held to make final decisions.
2. **Treasurer's Report:** Jack Potter
  - a. \$27,800 is currently on hand.
  - b. Information needed for filing taxes has been sent in.

### Committee Reports

1. **Academic Affairs:** Kevin Russell, Matthew Russell
  - a. Format of the newly formed MTSU Student Chapter needs to be determined.

- Copies of the Student Affiliate guide were handed out.
- b. MTSU student Matthew Russell will direct the chapter, but other officers need to be elected. Matthew will sit on the Nashville chapter board as a non-voting member.
  - c. The student chapter should meet once per month. Students can also attend the Nashville Chapter meetings.
  - d. The student chapter needs to be informed of various student competitions that happen on a regional level.
2. **Awards:** Troy Williams
    - a. No update.
  3. **Certification:** Carl Manka
    - a. No report.
  4. **Education:** Kent Kile
    - a. A seminar is in process of being planned for this year. CEU Registration of Chapter meeting presentations/programs is highly recommended. This will be a value to members and help to increase attendance.
  5. **Electronic Communication:** Woody Bruhn
    - a. Possible utilization of the free CSI microsite was discussed vs. providing our own independent chapter web site, which is about 2 weeks away from design completion.
    - b. Another option might be to interface our chapter website with the CSI microsite. The website designer is to look into compatibility of this idea.
    - c. The CSI microsite has a template format and limitations to custom design options.
    - d. Questions regarding advertisements (such as Google Ads) via the chapter website or the CSI microsite were discussed.

## President's Message

Randy Huffman CSI CDT

Titans 38 - Oakland 13! Ok, it's only one game and yes the lead up is a little cheesy... but I hope everyone is thinking about the product show coming next month (October 21<sup>st</sup>) at the home of the Titans LP field.

We already have some pretty big name sponsors on board and space is limited; so, if you haven't already, "reserve your booth TODAY". I would also like to take this opportunity to say a big THANK YOU to our primary event sponsor, **CertainTeed**, and I can't leave out our product show chair, Tim Yoko.

If you're like me in these tough economic times, by now, you have probably reviewed all of your spending and tried to "trim the fat". However, after a thorough review, I can honestly say one thing that is not on the chopping block is CSI.

Have you ever taken the time to review what you really receive from your annual CSI investment? In Nashville, we have access to one of the best Certification Classes in the country and even better, it is FREE. The week prior to our chapter meeting each month, Specifiers have the opportunity to attend SpecHeads to learn about new cutting edge products or to simply stay up-to-date on familiar products. Either way, you receive continuing education credits with lunch and again it is FREE. If you have never taken the time to visit our website [www.csinet.org](http://www.csinet.org) you should. In preparing this article I just clicked over and discovered Uniforamt 2010 released, LEED in the project manual, what is BIM, need a product guide spec, and several other Webinar opportunities.

Above all else, is the opportunity to foster relationships within CSI. I think everyone will agree that the personal and professional relationships that grow from within our group are among the most important and valuable aspects of our organization.

Also, I would like to thank Holly McCall (Manager, Public Information & Community Relations) for helping to arrange our August chapter meeting presentation. Patrick Holcombe from the Music City Center Construction team and Todd Thomas from Bell/Clark Construction provided us an interesting look into the construction status of the convention center. I look forward to seeing everyone at the September chapter meeting.

Randy Huffman

## **Congratulations To Our Scholarship Recipients**

A check for \$500 was awarded to Mr. Austin Hastings, who was sponsored by the CSI members from Thomas Miller and Partners, PLLC and CSI member Kenny Beam. Austin is a graduate of Independence High School, and plans to pursue a degree in architecture at Western Kentucky University. Architecture and construction have always been some of Austin's interests which he now plans to apply toward a career.

A check for \$500 was also awarded to Mr. Matthew Russell, the son of CSI member Kevin Russell. As Matthew returns to Middle Tennessee State University to continue his studies in the Concrete Industry Management program, he hopes his degree will be a useful tool in solving problems in the construction industry in the future. Matthew also has been instrumental in establishing our student chapter at MTSU and will be the first president.

The Scholarship Committee congratulates our two recipients and thanks all the individuals who submitted applications.

## 2010 PRODUCT SHOW **reCONSTRUCT Nashville**

Thursday, October 21, 2010

11:00 AM - 3:30 PM

**LP Field East Club Level**  
One Titans Way Nashville, TN

Dear Potential Exhibitors and Sponsors:

The CSI Nashville Chapter is pleased to announce the 2010 Product Show is returning to the home of the Tennessee Titans, LP Field! Building on years of success, we are looking forward to a broad range of exhibitor participation and unprecedented visitor attendance through cross-industry promotion and professional organization involvement.

Keeping in mind the historical rainstorms this past May and the devastation they caused, the theme of this year's show will be 'reCONSTRUCT Nashville'. And, in an effort to support a local organization better suited to assisting our fellow Nashville citizens who were adversely affected by the flood the Nashville Chapter of CSI will donate \$25 of each booth sale collected to [Rebuilding Together Nashville®](#).

In order to secure your booth space, please complete the attached form and return with payment by October 1, 2010 to **pre-register at a discounted price**. *Booth space cannot be guaranteed without receipt of payment.* Booth rental and sponsorship opportunities will be sold on a first come first serve basis so take this opportunity to **register early!**

It is my pleasure to serve as Chair of the 2010 CSI Product Show. Please feel free to contact me or Chapter President, Randy Huffman, if you have any questions. As always, we are committed to providing an enjoyable exhibit experience with a high level of interaction with the qualified buyers and specifiers you want to see.
